THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE [DR. (SHRIMATI) RITA VERMA]: (a) to (e) No, Sir. The Institute is producing high quality doctors who have obtained admission through regorous All India Entrance Examination. The academic standard of the Institute has been consistently high, as the students/doctors are not only exposed to the latest medical advances and state-of-the-art medical technology, but to a complex clinical, hands-on experience. The quality of doctors passing out from the Institute is recognized and appreciated by hospitals and research/ academic institutions in India and overseas.

In the postgraduate entrance test conducted by the Institute, some of the graduates of AIIMS do secure very high ranks. However, it is also true that several students do not rank in the top hundered. The matter regarding institutional reservation in PG seats in the Institute is pending in the Supreme Court and the matter is sub-judice.
